

MEET MAUDE

Maude started at DV at 11 months old and the progress that she made has been amazing. Desert Voices has been instrumental in helping Maude develop language, communication, and confidence. Since starting services, she has grown in so many ways – her language skills have improved tremendously and she's expressing herself in ways we never thought possible for her age. The teachers and staff at Desert Voices are incredibly supportive. They make learning fun, accessible, and tailored to each child's needs. Maude very much enjoys her weekly sessions with Miss Olga.

We are incredibly grateful for the support Desert Voices has provided to Maude and our family as Maude proves just how big her world can be.
