---

I completed my undergraduate degree at Southern Utah University in Psychology with a minor in Family services. Once I graduated I got a job as a preschool teacher and realized that I loved working with kids and wanted to further my education by getting a degree in education. After that I went to Utah State University and got a Masters degree through the Deaf Education program with an emphasis in Listening and Spoken Language. I joined Desert Voices in 2023 as a full time Teacher of the Deaf and I am so excited to be here! Outside of school I enjoy playing the piano and guitar as well as reading. I love to spend time with my friends and family whenever I can. I am also a huge movie fan and love to spend an evening with popcorn and a good movie!
